*I acknowledge that a routine service of my machine will cost anywhere from \$400-600 dependent on type of machine. I further understand that repairs and/or modifications will be in excess of that amount and should the requirement for a costly repair be diagnosed during the service process, I will be contacted for further discussion. I have thoroughly read, acknowledge and accept all service conditions listed at <http://www.talkcoffee.com.au/our-service-facility/> In addition, I have read and accept all of the above information.*
